

INDIANA CITIZEN PLANNER'S GUIDE

a publication of
The Indiana Planning Association,
a chapter of
The American Planning Association

This booklet is one in a series of publications of the Indiana Planning Association to be used as training materials for citizen planners: plan commission members, board of zoning appeals members, neighborhood organizations, and citizen committees. These materials are intended to supplement publications such as *Planning Made Easy* and *The Citizen's Guide to Planning*. IPA's materials contain information specific to Indiana. Users of these guides are strongly encouraged to read other, more general books on planning and zoning.

The information contained in these booklets are intended for informational purposes only and are not to be considered legal advice.
